ACROSS is a recognised charity NO SC030126

Will You Help?

Every week between Easter and November ACROSS takes a group of 24 pilgrims to Lourdes.
They travel by Jumbulance, a unique road vehicle specially designed to transport seriously ill and severely disabled people over long distances in safety and comfort.

ACROSS needs volunteer nurses, doctors, priests and male and female helpers with or without caring experience.

Do you care enough to help provide others with the holiday of a lifetime?
